LIBRARY PROGRAMS

As part of its service responses as a center for Lifelong Learning Center and General Information, the Bozeman Public Library offers programs for citizens of all ages. Programs may be developed and presented by Library staff or may be co-sponsored by the Library and other community organizations. Preschool story time programs will be presented by Library staff on a regular schedule throughout the year. Other programs for children and young adults will be planned, staff time and budget permitting, during school holidays and summer vacations. Each year the Library Director will establish a budget for hiring performers and purchasing materials for children’s programming.

Programs for adults may be scheduled throughout the year as interest warrants. Speakers from community groups and businesses may be invited to present programs on topics of general interest or of a timely nature. Presenters may not directly solicit business before, during, or following a program, although cards and brochures may be left on the display table for attendees to pick up. No fees may be charged to attend any Library sponsored or co-sponsored program.

Library programs are generally open to anyone wishing to attend. Persons attending Library-sponsored or co-sponsored programs are expected to adhere to the Library’s policies on patron conduct.

By separate action, and reaffirmed herein, the Bozeman Public Library has endorsed the American Library Association’s Library Bill of Rights and Interpretations, “Library-Initiated Programs as a Resource.” (See Appendix F)
