The Gallatin Art Crossing (GAC) exhibit hosts a variety of artwork introducing viewers to many artistic approaches. The goal of the program is to add at least one piece of public art to the permanent collection each year. Fundraising incorporates a variety of techniques and entities such as community challenges and the solicitation of individuals and businesses for contribution. The main focus of the organization is to select and place sustainable sculptures throughout the downtown Bozeman area. Sculptures are voted on through online, mail in, Bozeman Public Library and the Downtown Bozeman Association Ballots. These ballots comprise the People’s Choice Award which then progresses to the GAC committee to poll the winning sculpture and consider purchase and placement. People can vote for their favorite sculpture either through the website or mail; Ballots are available at the Bozeman Public Library and the Downtown Bozeman Partnership office. All Sculptures will be displayed with a plaque containing the artist’s name and program information. Such a large free public gallery will be a great asset to the artistic community and the City of Bozeman.
