Thank you for your interest in exhibiting in the Library’s Atrium Gallery exhibit space.

The Library invites you to submit an exhibition proposal, as we are committed to promoting the visual and aesthetic enhancement of the Bozeman community through an ongoing process of rotating exhibits of public art in the Library. The Atrium Gallery will showcase both traditional and innovative contemporary art forms as well as the work of both established and emerging artists of our region. The Library is committed to exhibits that will expand the public’s appreciation of art as well as reflecting the diversity of the community. The Library Art Committee, consisting of local artists, community members, and Library staff, will review the submitted applications several times throughout the year. Each exhibit will run for approximately three months.

In order to best represent your work, please include all requested materials in your packet:
