The Giver by Lois Lowry

Wednesday, December 1
Wuthering Heights by Emily Bronte

The Help – This debut novel has taken fiction readers on a difficult trip, set in Stockett’s native Jackson, Mississippi, in the early 1960s in a segregated South. Three memorable women tell the story of several families and their experiences there. Debut novel by a promising author.

The Giver – In honor of Lois Lowry’s visit to Bozeman Public Library, Saturday, November 6 for the Children’s Book Festival, the Book Club will read her most famous novel: The Giver. Jonas is singled out for special training from The Giver who alone holds the memories of the true pain & pleasure of life.

Wuthering Heights – A classic novel of consuming passions, played out against the lonely moors of northern England, recounts the turbulent and tempestuous love story of Cathy and Heathcliff. A masterpiece of imaginative fiction, the story is as poignant today as when first published in 1847.

The Friends of Bozeman Public Library cordially invites all interested readers to attend their monthly Book Club meetings on the first Wednesday of the month, 7:30 – 9 p.m in the Large Community Room at 626 East Main St., Bozeman.
