NOTIFICATION TO PATRONS OF LATE MATERIALS AND SUSPENSION OF LIBRARY PRIVILEGES

Materials Return

Items checked out at the Library or the Bookmobile may be returned at the Library or any Bookmobile stop. Patrons who borrow materials from Belgrade, Manhattan, Three Forks and West Yellowstone will return the item(s) to the library where it was checked out.

Patrons are notified by e-mail one day prior to the due date. If no e-mail address is available, notification will be by mail when materials are three days late. If items are not returned, a second e-mail notification is sent five days after the materials are due. A mailed notice is sent when materials are 14 days past due. A final notice is generated when library materials are four weeks late. At this time materials are assumed lost, and the patron is billed for the materials. After this notice patrons will be notified by phone and given seven days to return the item. Items not returned within 45 days of the overdue date will automatically be referred to Unique Management Collection Agency under the following conditions: Patrons with one lost item with a replacement value of \$15.00 (fifteen dollars and no cents) or more will be contacted by Unique Management. A \$10.00 (ten dollars and no cents) referral fee from Unique Management will be attached to the patron record along with the replacement fee. Patrons with fines or replacement charges over \$10.00 (ten dollars and no cents) will have privileges suspended until fees are under \$10.00 (ten dollars and no cents).

Items checked out on Bookmobile

Materials checked out from the Bookmobile will have the same notification frequency as above. Patrons who check out materials from the Bookmobile will not be assessed overdue fines. If an item is overdue and not returned within 45 days of the overdue date, it will automatically be referred to Unique Management Collection Agency under the following conditions: Patrons with one lost item with a replacement value of \$15.00 or more will be contacted by Unique Management. A \$10.00 (ten dollars and no cents) referral fee from Unique Management will be attached to the patron record along with the replacement fee. Patrons with replacement charges over \$10.00 (ten dollars and no cents) will have privileges suspended until fees are under \$10.00 (ten dollars and no cents).

LOST AND DAMAGED MATERIALS

All materials checked out and four weeks overdue will automatically have the status set to Lost. Materials with a lost status must be paid for within one month of the status change. The price of the lost item will be the current retail value as set by the Library.

All circulating Library materials are inspected upon return. Materials deemed by library staff to be damaged will be assessed a damaged materials charge. The charge will be the current retail price value as set by the Library. Items returned damaged, which can be repaired will be charged a \$5.00 (five dollars and no cents) fee.

Borrowing privileges for lost or damaged materials will be withheld until the bill is paid.

If an item is reported lost and paid for but later found and returned, a refund will be made if no

more than three months have elapsed since the item was paid for.

OTHER CHARGES

Photocopying and printing are available. Patrons may print 5 pages for free. There is a fee of .10 (ten cents) for each additional page of black and white and .50 (fifty cents) for color. Black and white photocopies can be made for .10 (ten cents) a page for letter and legal size, and .20 for 11x17". Charges for color photocopies are .50 (fifty cents) for letter and \$1.00 (one dollar and no cents) for 11x17". An outgoing self-service fax kiosk is available with prices set by the vendor. Supplies such as headphones, CDs and flash drives can be purchased at our cost.

CONFIDENTIALITY OF LIBRARY PATRON RECORDS

The Bozeman Public Library supports every patron's right to have his or her library records remain confidential. Library records include patron registration data, circulation records, overdue and reserve records, participation in library sponsored programs, record of library visits, and/or any data that contain information that links a specific patron to specific materials or services used. Each patron has individual control over his or her borrower's card and presentation of the card permits access to information about the borrower's current circulation record. Except during the actual period of transaction (circulation, maintenance of record on unpaid fines, reservation of materials), the Library will not maintain a record of transactions, unless a patron specifically requests to keep a history of items that have been checked out.

In compliance with [Montana Code Annotated 22-1-1103](#) no information will be released to any person, agency, or organization, except to recover overdue materials through the release of information to parents, legal guardians, and the City Attorney's Office or in response to a valid court order or subpoena and properly presented to the Library Director, or if written permission to release and disclose library records is placed at the Circulation Desk.
