# WORKSHOP SCHEDULE

## DRAWING ELEPHANTS

Wednesday, August 1, 1:30-3:00

6-8 year-olds

Jennifer with Kindred Art will demonstrate how to draw realistic elephants, then kids will create their own elephant drawings and decorate the borders with bleeding tissue paper and jewels. Bright, bold and beautiful artwork will be created!

## CARTOONING ROCKS!

Thursday, August 2, 10:30-12:00

6-8 year-olds

Design your own garage band with artist Sharon Glick! Learn to draw cartoons – emphasizing musicians (human, animal, and otherwise), sound effects, and crazy hair! Of course no experience is necessary, just a willingness to rock out with pencil and paper.

## PRINTMAKING

Thursday, August 2, 1:30-3:00

9-12 year-olds

Sharon Glick, local artist and art educator, will assist kids in discovering the magically satisfying art of printmaking! Design, carve (yes, carve!), print, and take home your own original monogram stamp using traditional and experimental tools. No experience necessary, however participants must be prepared to follow all safety instructions.

## JUGGLING MADE EASY!

Friday, August 3, 10:30-12:00

9-12 year-olds

Have you ever wanted to juggle like a clown in the circus? The Bozeman Cirque School is here to help with a fun hands-on juggling class for kids! Kids will create their own juggling balls to take home and will master the art (with some practice) of juggling!

## DRAWING ELEPHANTS

Friday, August 3, 1:30-3:00

9-12 year-olds

Jennifer with Kindred Art will demonstrate how to draw realistic elephants. Then kids will create their own elephant drawings and decorate the borders with bleeding tissue paper and jewels. Bright, bold and beautiful artwork will be created!

## **GIANT POPPIES INSPIRED BY GEORGIA O'KEEFFE**

**Tuesday, August 7, 10:30-12:00**

**6-8 year-olds**

Local artist and art educator Melissa Summerfield will share her knowledge about the life and art of Georgia O'keeffe through a Power Point presentation. Then by given step-by-step instructions, students will create a giant poppy in oil pastels.

## **A BOZEMAN STARRY NIGHT INSPIRED BY VAN GOGH**

**Tuesday, August 7, 1:30-3:00**

**9-12 year-olds**

The work of Vincent Van Gogh comes to life through a Power Point presentation given by local artist and art educator Melissa Summerfield. Children will then create their own Bozeman landscape in the style of Van Gogh's Starry Night using colored pencils.

## **PAINTING LIKE PAUL CEZANNE**

**Wednesday, August 8**

**10:30-12:00 (for 6-8 year-olds) and 1:30-3:00 for (9-12 year-olds)**

Children will join Linda Williams from the Bozeman Art Museum to focus on the work of Paul Cezanne and his love of nature and ability to bring the outdoors in. Students will create their own masterpiece still life in a variety of media.

## **GYOTAKU FISH PAINTING**

**Thursday, August 9, 10:30-12:00**

**6-8 year-olds**

Join Liz from Montana Outdoor Science School (M.O.S.S.) to explore the ancient Japanese art of Gyotaku. Make your own unique fish print, learn about fish anatomy, and practice thinking like a scientist.

## **CREATIVE FLOW YOGA FOR TWEENS**

**Thursday, August 9, 1:30-3:00**

**9-12 year olds**

Kristin from Mountain Yoga will share some techniques for kids to reflecting, journal and practice yogic breathing to enhance solitude, self esteem, and create a calm mind. Tweens will develop inner and outer strength, self-confidence and a sense of peaceful ease on and off the yoga mat!

## PRINTMAKING IS COOL!

Friday, August 10

10:30-12:00 (for 6-8 year-olds) and 1:30-3:00 for (9-12 year-olds)

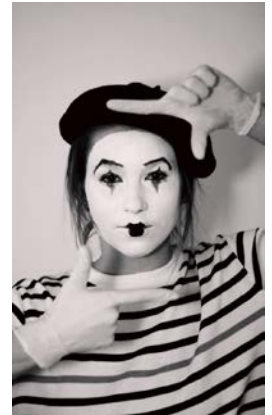

Chelsea from ARTSPLOT joins us at the Library again! Draw your favorite animal, transfer it to a printmaking plate, carve it into the plate, brayer a rainbow of colors onto the plate, print, and voila! Repeat.

## DISCOVERING IMPROV

Monday, August 13, 10:30-12:00

6-8 year-olds

This class will explore improv through focus on collaborative storytelling, listening, confidence building, pantomime, and teamwork. Presented by John Townsend-Mehler, children's improv instructor at The Verge.

## EXPLORING IMPROV

Monday, August 13, 1:30-3:00

9-12 year-olds
