

PROGRAM DETAILS

Our Read Away Fines program is for ANYONE and ANY AGE!

You need to have your own library card in order to participate.

We'll waive a penny of fines for a minute of reading.

You can read whatever you want and any kind of reading counts. Doing homework? Studying for a test? Reading for your job? Reading comic books? Mom or Dad reading to you? This reading time all counts.

Young adults may also read to or with younger children, and both of you can get credit for the time.

If you are 11 or younger, a parent or guardian needs to initial the time you read and sign this form in order for you to get credit.

Bring this form to the Circulation Desk in order to get up to \$10.00 of your fines waived.

NOTE: You cannot read away the cost of a lost or damaged item, read away fines if your account has been sent to collections, read ahead for fines not yet accrued, or read away fines from someone else's card.

Questions?

Please call the Bozeman Public Library at 582-2408.

Where dreams take flight...
